WHAT OUR TEAM DO

Design and Build - Contractor - Management - Manufacture.

"CUSTOMER SATISFACTION IS OUR PRIORITY"

Our Service

"A GOOD PLACE TO SPEND WITH FAMILY"

WATER PARK

We are specialist for waterpark development, in addition we are also a contractor for the needs of water-park facilities with internadional standards.

With the international standard technology that we have, we can work on various types of slides among others : Boomerang Slide, Boomblaster, Octopus Slide, Waterslides, Olympic Pool Size, Water Futsal etc.

PLAYGROUND

Our company also has a children's playground development service, with attractive designs and various types of games that are certainly liked by children.

Of course we also put forward the safety aspects of the playground that we built, because your safety & comfort is the most important..

"WE BUILD HAPPIEST PLACE FOR KIDS"

RESORT

Aside from being a resort contractor, we also work on management for resort needs. We want our resort visitors to enjoy the best services that are provided in accordance with the standards we have set.

In addition to the good service we provide for you, we will also satisfy visitors with the best & comfort-able resort design to visit for you and your family.

"LET'S FEEL THE REAL ADVENTURE"

BOOMBARA WATERPARK

PEKANBARU

Another extraordinary water park that we built is called Boombara Waterpark in Pekanbaru, with a large area we apply several types design of water slides.

GREEN LAKE VIEW

CIMANGGIS

One of the best water parks we have ever built is Green Lake View, Cimanggis. With a large area we design in such a good way and place various types of water slide games for children & adults.

HOTEL MULIA BALI

It is an honor for us after being trusted to design & build a swimming pool at Hotel Mulia, Bali for children which is equipped with a simple water slide.

NEWTON WATERPARK
TANGERANG

One of the best water rides we built for you, while enjoying your weekend with family and friends. With children's themes the visitors will be attracted to come to the waterpark.

CILEGON GREEN WATERPARK

CILEGON

We built the Cilegon Green Waterpark with a child-friendly concept and of course with a safety waterslide.

YOGYAKARTA

Building and designing waterparks is our expertise and one of the best waterpark works we present is at Special City of Yogyakarta..
